

Lisette Lorenz

Curriculum Vitae

2204 Oak Street, Virginia Beach, Virginia 23451

ldl54@cornell.edu · <https://www.linkedin.com/in/lisette-lorenz-07271/> · lisettelorenz.com

Summary Lisette Lorenz (they, she, [ki](#)) is an art-science practitioner and scholar specializing in environ/mental health of body-minds, communities, and the planet.

Education **Doctor of Philosophy**, Cornell University: Ithaca, NY (2017-)
Graduate Field: Science and Technology Studies
Master of Arts, Cornell University: Ithaca, NY (2017-2021)
Graduate Field: Science and Technology Studies
Bachelor of Arts, Oberlin College: Oberlin, OH (2008-2012)
Major: Environmental Studies

Honors

& Awards Oberlin College and Conservatory Illumination Society Inductee (2023)
Phi Beta Kappa Society Honor Roll (2022)
Mellon Mays Undergraduate Fellowship (MMUF) Advancement Program Fellows Inductee (2022)
Sheila Jasanoff Prize for Academic Excellence in Science & Technology Studies, Cornell University (2021)
NextGen Professors, Cornell University (2021)
Sigma Xi Scientific Research Honor Society, Cornell University (2019)
Phi Beta Kappa Honors Society, Oberlin College (2012)
High Honors in Environmental Studies, Oberlin College (2012)
Joyce Gorn Memorial Prize in Environmental Studies, Oberlin College (2012)
Excellence in Undergraduate Community-Based Research Award, Oberlin College (2012)
Honorary Homestay Program Representative, Kansai Gaidai University (2011)
Salutatorian, North Miami Senior High School (2008)

Fellowships Mellon Mays Undergraduate Fellowship (MMUF) Dissertation Completion Grant (2024-2025)

Scholarships & Grants National Science Foundation, Graduate Research Fellowship Program (2019-2024)
National Science Foundation, INTERN Program Grant (2023)
Travel Grant, Annual Meeting of the Society for Social Studies of Science (4S) (2025)
Society for the Humanities Dissertation Writing Group Grant (2022-2023)
Media Studies Initiative, Media Studies Graduate Working Group Grant (2022-2023, 2018-2019)
Mellon Mays Undergraduate Fellowship (MMUF) Dissertation Research and Travel Grant (2022)
Amit Bhatia'01 Global PhD Research Scholarship (2021-2022 - declined)
Cornell University Humanities Council, President's Fund Travel Grant (2021-2022)
Cornell University Dean's Excellence Graduate Diversity Fellowship (2017-2024)
Nippon Foundation Fellowship (2019-2020)

Einaudi–Social Science Research Council (SSRC) Dissertation Proposal Development Grant
(2019 - declined)

Cornell University East Asia Program Language Study Grant (2019)

Judith Reppy Institute for Peace and Conflict Studies,
Graduate Director’s Fellow (2018-2019)
Internationalization Grant (2019)

Institute for Comparative Modernities, Graduate Reading Group Grant (2018-2019)

Cornell University East Asia Program, Research Travel Grant (2018, 2019)

Mario Einaudi Center for International Studies, International Research Travel Grant (2018, 2019)

Engaged Cornell, Engaged Leadership’s Community-Engaged Student Travel Grant (2018)

Finger Lakes Environmental Film Festival Diversity Scholar (2018)

Institute for Recruitment of Teachers, Associate Fellowship (2016-2017)

Oberlin Shansi, Japan Teaching Fellowship (2012-2014)

AmeriCorps, Bonner Leader (2010-2012)

Mellon Mays Undergraduate Research Fellow (2009-2012)

Oberlin College Grant (2008-20012)

Corella and Bertram F. Bonner Foundation, Bonner Scholar (2008-2012)

McGregor Scholarship (2008-2012)

John Fredrick Oberlin Scholarship (2008-2012)

Pell Grant (2008-2012)

Helen Marie Witty Memorial Scholarship (2008)

- . 2025. “The Nuclear Pilgrimage: A Quantum Approach to Peace Culture in Japan’s Post-Nuclear Disaster Zones.” For workshop and edited volume on “Quantum Approaches to Peace, Conflict, and Security” organized by the Ohio State University’s Mershon Center for International Security Studies. [peer reviewed, preparing manuscript for edited volume]

Research

Doctoral Candidate Researcher, Cornell University (2022-2025)

Completing post-COVID pandemic dissertation research on community-based art- science interventions in environ/mental healthcare for the Anthropocene

Data and Impact Analyst, Support + Feed (2023-2025)

Work in collaboration with the non-profit’s Program Director to develop strategies to identify, measure, and report on programming impact across national and international markets, including developing and analyzing surveys, interviews, website and social media performance indicators, and other mixed methods data collection tools. [Support + Feed](#) is committed to mitigating climate change and increasing food security by driving global demand, acceptance, and accessibility of plant-based food

Graduate Student Researcher, Cornell University (2017-2021)

Conducted pre-COVID pandemic dissertation research on the socioecological impacts of nuclear disasters in Hiroshima, Nagasaki, and Fukushima, Japan

Research Assistant, Cornell University (2018-2019)

Developed mixed method evaluation tools for theater production of “Climates of Change,” in collaboration with the Department of Performing Media Arts and Civic Ensemble. Results published in Matthew Schneider-Mayerson et al., eds. *Empirical Ecocriticism: Environmental Narratives for Social Change* (2023) by the University of Minnesota Press. See project website: <https://climateplays.com/>

Faculty Researcher, J.F. Oberlin University (2013-2014)

Conducted in-class qualitative research on effects of theater-based, kinesthetic teaching methods on English language learning through the English Language Department

High Honors Recipient for Independent Research, Environmental Studies, Oberlin College (2011-2012)
Achieved High Honors for community-based research thesis, *Rustbelt Theater: Children's Environmental Justice Narratives from South Elyria, OH*

Mellon Mays Undergraduate Research Fellow, Oberlin College (2010-2012)
Designed two-year ethnographic research project, *Rustbelt Theater*, utilizing community-based theater as means of empowering environmental justice communities

Student Researcher, Kansai Gaidai University (2011)
Conducted semester-long ethnographic research in anthropology and politics in contemporary Japan

Teaching

Instructor, The Muse Writers Center, Norfolk VA (2024-)
Specialize in developing and teaching creative non-fiction and project management, such as “Community Zine Making: Our Surroundings and Mental Well-Being” and “Mastering Bullet Journaling: Organize Your Life and Manage Large Writing Projects.”
Ranked as one of the top centers in the US, The Muse is also the only community-based writing center in the nation to offer up to 100% tuition assistance

Guest Lecturer, URP 616, “Climate Justice and Resilience,” University of Buffalo, Buffalo, NY (2024)
“We Are All Monsters: Radical Relationality During Times of Planetary Crisis”

Public Educator, People's Free School [Teach-In](#), Eleanor's Feminist Bookstore, Norfolk, VA (2024)
“Collective Worlding Practices for Ecosocial Justice”

Workshop Leader, Colors of Cultural Exchange, Just Harvest, Tappahannock, VA (2024)
Lead environmental justice-themed workshops using art-science techniques based on Theater of the Oppressed and community zine-making. [Just Harvest](#) is a BIPOC (Black, Indigenous, and People of Color)-led effort to create food sovereignty through education and community connections

Visiting Instructor, “Planet Hope” Summer Workshop Series, Teens With a Purpose, Norfolk, VA (2024)
Lead workshops on community gardening as extension of creative self and collective expression; lead cooking demonstrations and discussions about the connection between individual, community, and planetary health. [Teens With a Purpose](#) is a youth safe space offering academic, artistic, and cultural enrichment for the next generation of change-makers

Visiting Instructor, Environmental Studies Program, Virginia Beach Public Schools, Virginia Beach, VA (2023-2024)
Led art-science explorations with two high school cohorts focusing on food justice

Guest Lecturer, STS 1101: “Science, Technology, and Politics,” Cornell University, Ithaca, NY (2023)
“Activism and the Public Sphere: Action Science, Citizen Science, Community Science”

Guest Lecturer, ENV5 201: “Introduction to Environmental Humanities,” Oberlin College (2020; 2021; 2022)
“Travel as Peace Culture in Japan’s Post-Nuclear Disaster Zones”

Teaching Assistant, Cornell University, Ithaca, NY (2018-2019)
Led sections, managed attendance and gradebook, and provided student consultations for STS 2051 “Ethical Issues in Health and Medicine” and STS 2851 “Communication, Environment, Science, Health”

Guest Lecturer, ENV5 201: Nature, Culture, Interpretation, Oberlin College (2017; 2019)
“Un/Natural Disasters: Stories from the Fukushima Nuclear Accident”

2nd Grade Associate Teacher, Success Academy Hell’s Kitchen, New York, NY (2016-2017)
Taught elementary mathematics and literacy curriculum while managing the classroom

STEM Fellow, Success Academy Harlem 4, New York, NY (Spring 2015)
Supported elementary school lead science teacher with science curriculum, NY State test preparation, and classroom management

Certified Substitute Teacher, Miami-Dade Public Schools, Miami, FL (Fall 2014)
Managed high school classroom instruction

Public Lecturer, English Language Program Lecture Series, J.F. Oberlin University (2014)
“Can Katy Perry be Japanese?” Accessible at: <https://tinyurl.com/katyperrylecture>

Visiting Assistant Professor of English, J.F. Oberlin University, Tokyo, Japan (2012-2014)
Taught intermediate level English language specializing in reading and writing; developed lesson plans; managed grading; advised students; conducted research; gave lectures

Volunteer Teacher’s Assistant, Kuzuha-Minami Elementary School, Osaka, Japan (2011)
Assisted the school’s 5th grade English teacher with executing lesson plans; helped students improve their English pronunciation and conversation skills

Elementary School Drama Teacher, Save Our Children, Elyria, OH (2010-2011)
Taught dramatic and performing arts to rural, underserved children and youth at [Save Our Children](#) in Elyria, OH; ensured that students reached their highest creative potential while working as a team to put on original plays based on issues in their community

Leadership & Service

Program Coordinator, Support + Feed (2023-)
Increase access to nourishing plant-based meals and education for historically marginalized community members in Hampton Roads, Virginia, by coordinating meal production and distribution with local growers, restaurants, volunteers, and other community partners; implement plant-based education and nutrition programs in diverse settings; manage reporting process for all meal, in-kind donations, and educational touchpoints

Master Gardener, Virginia Cooperative Extension (2024-)

Volunteer educator who works in partnership with Virginia's land-grant universities, Virginia Tech and Virginia State University, and the city of Virginia Beach to encourage and promote environmentally-sound horticulture practices through sustainable landscape management education and training

Peer Reviewer for the following academic journals and conferences:

Annual Meeting, Science Communication Track,

AAAS – American Association for the Advancement of Science (2025)

Technovation (2024)

Humanities and Social Sciences Communications (2023)

Art + Media: Journal of Art and Media Studies (2023)

Leonardo (2022)

Research for All (2021)

Regulation & Governance (2019)

Reviewer, Conference Travel Grants Committee, Society for the Social Study of Science (4S) (2023, 2024)

Created selection criteria; allocated travel funds to 100+ applicants; created grant allocation report

Alumni Committee Co-Chair, Institute for Recruitment of Teachers (IRT) (2024-2026)

Co-facilitate creation and implementation of committee policies, practices, and protocols in accordance with IRT programming as pertaining to diversity and inclusion in teacher development; represent alumni in meetings with IRT board members, stakeholders prospective organizational partners

Graduate Student Intern, SEA Change (STEMM Equity Achievement), American Association for the Advancement of Science (AAAS) and the National Science Foundation (NSF) (2023-2024)

Worked with AAAS team members on improving diversity and equity in science, technology, engineering, mathematics, and medicine (STEMM) higher education through institutional self-assessment, action plan implementation, change management, and systemic transformation

Graduate & Professional Student Diversity Council Member, Cornell University (2023-)

Work collaboratively with the Graduate School and other campus partners on initiatives to advance a sense of community, professional excellence, and a climate of equity and belonging for all graduate and professional students, especially for those from backgrounds historically excluded from and underrepresented in the academy

Graduate Student Ambassador, Neurodiversity @Cornell, Cornell University (2022-)

Advocate for the de-stigmatization and wellness of neurodivergent students on and beyond Cornell's campus; organize events; participate in peer-led research on neurodiversity

Laidlaw Graduate Student Research Mentor/Program Coordinator, Einaudi Center for International Studies, Cornell University (2021-2023)

Provided personalized leadership training and mentoring to undergraduate Laidlaw Fellows utilizing individual development plans and critical reflections; trained graduate mentors; developed program curricula

Peer Tester, American Association for the Advancement of Science (AAAS)' Local Science Engagement Network (LSEN) (2023)
Tested civic engagement training curricula on advanced science communication and civic engagement training via a 3-hour virtual training session

Catalyzing Advocacy in Science and Engineering (CASE) Workshop Participant, American Association for the Advancement of Science (AAAS), Washington DC (2023)
Trained with science policy and advocacy experts to hold meetings with Congressional staff

Graduate Student Mentor, Multicultural Academic Council Mentoring Program, Cornell University (2021-2022)
Guide early-stage graduate students from under-represented backgrounds as they navigate academics, professionalization, and personal well-being

Certificate Recipient, PESI (Professional Education Systems Institute), San Diego, California (March 2022)
Received 13.5 hours of Continued Education credit for completion of 3-Day Summit, "New Advances in Psychotherapy: Learning from Psychedelic-Assisted Treatment" for mental health professionals and practitioners

Statement of Purpose (SOP) Advisor, Institute for Recruitment of Teachers (2021)
Assisted prospective graduate students from under-represented backgrounds in preparing the writing materials needed for their graduate school applications

College Prep Mentor, UStrive (2020-2021)
Support high school seniors one-on-one with the college application process

Mentor, Graduate Students Mentoring Undergraduates, Cornell University (2020-2021)
Supported Cornell undergraduates as they navigate their graduate school options

Mellon Mays Graduate Mentor, Cornell University (2018-2019)
Advised Mellon Mays Undergraduate Fellows on their research, academic pathways, and extracurricular activities; liaison for MMUF students and Cornell administration

Conference Organizer, Cornell University (2018-2019)
Managed call for papers; reviewed submissions; oversaw catering, lodging, transportation, and facilities preparations; led panel for the Judith Reppy Institute for Peace and Conflict Studies 2019 Graduate Student Conference

Theater of the Oppressed Workshop Facilitator, International Christian University, Tokyo (2014); Theater in Progress theater company, Tokyo, Japan (2014)
Prepared and facilitated 5-hour workshop on principles of Theater of the Oppressed for students and faculty at ICU; prepared and facilitated 3-hour workshop for Theater in Progress company members

Certificate Recipient, Asian Pacific American Dispute Resolution Center, Tokyo, Japan (May 2014)
Completed 40-hour mediation training emphasizing effective communication strategies, multicultural conflict resolution, and peace theory.
Compliant of State of California Dispute Resolutions Programs Act

Bonner Scholar and AmeriCorps Bonner Leader, Oberlin College, Oberlin, OH (2008-2012)

Dedicated over 1,000 hours to community outreach and volunteering; received college scholarships for commitment to creating positive social change through engagement in community service; select experiences include:

Local Foods in Local Schools Coordinator—Collaborated with assistant principal at Eastwood Elementary School and other staff to promote healthy, local food choices in school cafeteria; connected local farmers and school district; researched and compiled list of viable supplier options for school

Boys and Girls Club Mentor—Mentored 5th grader through the transition from elementary to middle school; shared meals; organized outings and social events; held regularly scheduled check-ins

Invited Quantum Social Science Bootcamp (2025)
Workshops Resilient Food Systems Certification Program (2024)
& Colman Inclusive Leadership Program (2024)
Working Quantum Social Science Working Group (2022-)
Groups In/Fertile Environments Workshop (2022)
Low-Carbon Research Summer Institute Workshop (2022)
Student Section of Society for the Social Studies of Science (6S) Sketch Group (2022)
Peacebuilding, Climate Change, and Migration Workshop (2022)
Global Disasters Faculty Working Group (2018-2019)
Institute for Comparative Modernities Graduate Reading Group (2018-2019)
Designing Integrated Land Management Graduate Student Workshop (2018)
Teacher Training for “Writing in the Majors” Undergraduate Courses (2018)

Languages English, Spanish, Japanese

Presentations **Presenter**, Annual Meeting of the Society for the Social Studies of Science, “Reverberations,” Seattle, WA and remote (2025)

- “*Madness, monsters, and maypops: environ/mental healthcare for the Cthulucene*”

- “*Collective worlding practices for ecosocial justice: a zine workshop*”

Presenter, Quantum Social Science Bootcamp, The Ohio State University, and remote (2025)

“*Nuclear Pilgrimages for the Cthulucene: Radical Relationality as Peace Culture in Japan’s Post-Nuclear Disaster Zones*”

Panelist, GEOZONE, University of Delaware, and remote (2024)

“Environmental and climate justice storytelling through zines,” with Jared Margulies, Anne Pasek, and Lucy Thompson; chaired by Eden Kinkaid, Nusrat Mohana, and Summer Cardarelli. Retrieved from: https://www.youtube.com/watch?v=whBxYOSc_1A

Presenter, Science Studies Reading Group, Cornell University and remote (2024)
